- If you did not apply for financial aid in the past fall or spring, you may be required to fill out the Free Application for Federal Student Aid (FAFSA). Due to short length of the summer sessions the FAFSA should be filed as soon as possible. The Financial Aid Office must receive your FAFSA results from the Department of Education at least two weeks before your last session of enrollment to ensure processing.
- You must enroll for a minimum of 6 credit hours to receive aid in the summer semester. If you drop credits during any session and are no longer registered for at least 6 credit hours within the summer semester, all aid awarded for the entire summer semester (all four sessions) will be canceled. Any aid cancelled after disbursement due to the student not meeting the 6-credit minimum will become an outstanding balance to Catholic University.
- If you are studying abroad in the summer you will need to supply the Financial Aid Office with a letter from your department detailing your estimated expenses.
